ABOUT ME

I am a student in Software and Internet Technologies looking for an Erasmus backed internship in Android Mobile Development to gain work experience in this field.

WORK EXPERIENCE

21/10/2019 – 01/02/2020 – Eindhoven, Netherlands

Digital games developer

Van Donk Holding BV

I was a member of students' team, we developed a game in Unity 3D which taught players basics of cyber security. I could say that my main work was in Designing and Programming Logic for the UI of the game. But each of us did a little bit of everything, including Programming Logic, Working with Client, Presenting our Project as well as Designing elements of UI and game characters.
